Possible Judge's Questions

- Where did you get this idea?
- How did you come up with this title?
- What research did you do?
- What was your hypothesis?
- Why did you think that would happen?
- What were your independent and dependent variables?
- What was your control?
- What did you measure and how?
- How did you calculate that result?
- Why did you choose that amount, (or measurement, or piece of equipment, etc.)?
- How did you replicate the experiment?
- What does that graph tell you?
- How variable were your results and what might explain the variability?
- What did you base that conclusion on?
- Why/How are your findings important?
- Who might want to know this information?
- What would be the next experiment you would do?
- What was the hardest part (or most fun, or most exciting, or most surprising, etc.)?
- Who helped you?
- If you had to do it all over again, is there anything you would do differently?
